Final Results of the 2026/2 Admission Process for the Graduate Program in Physics (PPGFI) at the Federal University of Sergipe

Dear applicants,

Below is the result of the selection process for admission in the 2026/2 academic term to the Graduate Program in Physics at the Federal University of Sergipe.

The results are organized by call notice and by area of concentration. Each candidate's score is presented along with their final status, as follows: **A – Approved**, **R – Not approved**. In the event of a tie, the selection committee applied the tiebreaker criterion of higher age, in accordance with item 3.8.12 of the Call Notice **EDITAL PPGFI /POSGRAP/UFS Nº 04/2026**.

As stated in the call notice, the final evaluation considered the average weighted score:

- For the master's program: 30% from the curriculum vitae and 70% from the academic transcript.
- For the Doctoral program: 50% from the curriculum vitae and 50% from the academic transcript.

The minimum score required for approval was 5.0 points.
